

Roots Read
Respond Form (Levels 1-3)

Dear Families,

Your child is EXPECTED to complete one portion of the Read and Respond Form every night of the week. PLEASE NOTE: each portion is checked DAILY and should be kept in your child's SFA folder until your child's teacher has checked all sections. **100% of the form is to be completed by Friday** – this is a goal and a challenge that our class is reaching for weekly. Please encourage at least 20 minutes of reading every night! Please remember to have students write in complete sentences, except for when making lists of words. Both the Roots books and books from your collection at home will be used each day.
